Moorings are only allocated to those Members undertaking an active part in the life of the Club, i.e. in the boating, social and working activities of the Club.

All craft moored at the club are to satisfy the requirement of Environment Agency Regulations.

The Committee shall allocate Club moorings annually before the 1st November to run to the 31st October of the following year. Mooring fees will be invoiced 1st November and payable within 30 days after issue of invoice.

This Mooring Agreement, forms part of the Standing Conditions and shall be completed and signed by all Members before their craft are accepted for mooring and storage.

The Club reserves the right to terminate the hire of any moorings, berths or storage space. After such termination, the club shall give the member 14 (fourteen) days' written notice sent by recorded delivery to his/her last known address to remove the boat from the mooring.
